Dear Matt and Ramy, you may remember Sravan and Anuj who were holders of Common Stock of Solstice from the Project Condor transaction. Last week, they voted by written consent to place themselves as shareholder representatives of Common Stock to the Board of Directors. They have posed many questions about the deal, diligence and other matters. They also wanted to have direct communication with Luminar about the transaction.

First, I thought that we needed to inform you of the change in the board composition because Solstice has certain obligations to perform under the Plan of Dissolution. Lastly, we wanted to make sure that you have direct contact with them. They are cc'd on this email correspondence.

Kindly take it from here.

My best,
