

PLAINTIFF GUPTA'S 220 NO EXPEDITED SCHEDULE REQUEST

LETTER

Re: Anuj Gupta v. Stefan Safko and Scott Harvey

Dear Register in Chancery:

Plaintiff Anuj Gupta hereby responds to item #8 of the Supplemental Information form filed contemporaneously with the Complaint in this Section 220 action.

Plaintiff does not seek an expedited schedule for proceedings in this matter at this time. The purpose of filing the Complaint is to preserve Plaintiff's standing to inspect certain books and records of Solfice Research, Inc. (DBA Civil Maps) relating to the company's asset sale transaction with Luminar Technologies, Inc. However, Plaintiff does not currently require expedited treatment or a rushed schedule, as there are no imminent deadlines or events that necessitate accelerated proceedings. Plaintiff is amenable to proceeding on the Court's normal schedule for Section 220 actions.

Please let me know if any additional information is needed from Plaintiff at this stage.

Respectfully submitted,
